ACKNOWLEDGEMENTS

The editors would like to acknowledge the contribution of *Marian Radetzki*, who was guest editor for issue number 2 of this volume. In addition to determining the orientation of the group of papers, Marian reviewed every paper published in that issue to ensure that each met the standards of *Energy Studies Review*.

We are also grateful for the time and effort that the referees invested in the appraisal of papers submitted to *ESR*. Below is a list of individuals who acted as referees during the past year. The editors sincerely thank all of them for their contribution.

Jean-Thomas BERNARD	Département d'économie Université Laval, Ste-Foy, Québec
François BREGHA	Resource Futures International Ottawa, Ontario
Philippe J. CRABBÉ	Institute for Research on the Environment and the Economy University of Ottawa, Ottawa, Ontario
Dominique FINON	Institut d'économie et de politique de l'énergie Grenoble, France
Malcolm JACKSON	Waters Associates Inc. Toronto, Ontario
Gaétan LAFRANCE	INRS - Énergie et matériaux Varenes, Québec
John NYBOER	School of Resource and Environmental Management Simon Fraser University, Burnaby, BC
Anthony E. REINSCH	Canadian Energy Research Institute Calgary, Alberta
Hans-Holger ROGNER	Institute for Integrated Energy Systems University of Victoria, Victoria, BC
Marc A. ROSEN	Department of Mechanical Engineering Ryerson Polytechnic University, Toronto, Ontario
Fereidoon P. SIOSHANSI	National Economic Research Associates San Francisco, California
G.Campbell WATKINS	Law & Economics Consulting Group Emeryville, California
Andrea ZARADIC	H.A. Simons Ltd. Vancouver, BC
